

SAUDI ARABIA VEHICLE IMPORT REGULATION

Guidelines in importing vehicle to Saudi Arabia:

- ◆ Car must not be older than five (05) years old.
- ◆ Only one (01) car is allowed per person.
- ◆ Right-Hand drive vehicles are not allowed
- ◆ Personal effects shipment must NOT be loaded inside the car.

Required documents in Customs Clearance:

- ◆ Copy of Passport with picture and visa page
- ◆ Copy of Residence Permit (Iqama) / BATAQA
- ◆ Authorization Letter (Four Winds will provide the format)
- ◆ Copy of Saudi Driver's License
- ◆ Original de-registration Certificate from country of Origin or Original Certificate of Ownership

Customs duty is @ 5% of C.I.F value.

- ◆ The car and the personal effects (if any) will be cleared at the same time.
- ◆ The consignee is not allowed to drive the vehicle unless he had secured the car registration certificate from the Traffic Police.

Procedure in Car Registration

- ◆ Four Winds will hand over to consignee the copy of Bayan. This document is required in securing the Certificate from Saudi Arabian Standard Organization (SASO). Consignee will hand over the original SASO certificate to Four Winds.
- ◆ SASO Certificate will be submitted to Jeddah Customs which in return will issue the green card. The Green Card will be hand-over to the consignee.
- ◆ The consignee will bring the vehicle to MVPI with the copy of Bayan and Green Card for check-up.
- ◆ The consignee must purchase Car insurance.

Required documents in Car Registration:

- ◆ Copy of Bayan (Document from Customs)
- ◆ Green Card (Document from Customs)
- ◆ Car Insurance (consignee must purchase)
- ◆ MVPI (Motor Vehicle Periodic Inspection in Saudi Arabia)
- ◆ Copy of Passport
- ◆ Copy of Saudi Residence Permit (Iqama-employer will provide)
- ◆ Copy of Saudi Driver's License
